

# Harvesters of Jesus

(Newsletter 276 – 15/11/2023)

The Association of the Harvesters of Jesus was established in order to provide the regular daily spiritual needs of the LITTLE EDEN Society. It is firmly believed that without such support, LITTLE EDEN would wither.

## Embracing November: A Month of Remembrance at LITTLE EDEN Society

This month holds a special place in our hearts as a time of remembrance, honouring the visionaries who laid the foundation and the souls who have graced our Home as well as our beautiful *angels* who over the past 56 years have left their earthly home to go to heaven.

We fondly remember the indomitable spirit of our Founders, Servants of God, Danny and Domitilla Hyams whose visionary dedication to recognising the inherent worth of individuals living with profound intellectual disability sparked the creation of LITTLE EDEN Society. We pay tribute to their compassion, resilience, and unwavering commitment, which continue to inspire our mission on a daily basis.

As we traverse the corridors of memory, we weave a tapestry of lives that have touched LITTLE EDEN. Our residents have left an indelible mark on our community. Each smile, every triumph, and the resilience shown in the face of challenges form the threads of this intricate tapestry.

During November month, we remember the faces and stories that have shaped our journey. Their laughter echoed through the halls, and their spirits lingered in the gardens they once roamed. It's a month where we acknowledge the unique essence of every resident who has been part of our family.

This month prompts us to reflect on the lessons learned, the joy shared, and the bonds forged. It's a time of gratitude for the moments of triumph and the collective strength that sustains our mission. We extend our thanks to every supporter, volunteer, and advocate who has contributed to the legacy of *Love & Care*.

In the quiet spaces of remembrance, we find strength, gratitude, and a renewed commitment to our mission. November is not just a month; it's a poignant chapter in the ongoing story of LITTLE EDEN Society—a story written with love, compassion, and the shared spirit of making a difference.

May this month of reflection be filled with the grace of comfort providing strength and solace to our LITTLE EDEN family.

Who will you be remembering this month?

### Daily prayer for the needs of LITTLE EDEN Society

*Jesus, Great Harvester, who desires the salvation of all mankind, accept the offering of my life and work in assisting You to help garner the fields for the harvest. Teach me compassion, understanding and love for those most in need. Bless our Association; strengthen the bonds of love and charity amongst us, so that with hearts united we may say "Thy kingdom come". Mary, comfort of the afflicted, pray for us.*
